University Events Committee: Event Planning Checklist

Check List for Campus Event Approval

Getting Started:

1. Pick up UEC Activity Registration Form in the Student Involvement and Leadership Center, 400 Kansas Union. Make sure you allow time to complete your plans, obtain the necessary signatures, and **turn in your application at least two to three weeks in advance of your scheduled event.** You must have UEC approval before you may advertise an event.
2. Fill in the name, address, phone number, and email of the individual making the request. The event confirmation and instructions will be emailed to the indicated emailed address.
3. If your group is not registered with The Student Involvement and Leadership Center, you will also need an organization registration form. You must be registered before you can turn in the completed UEC form to Student Involvement & Leadership Center. Your event cannot be presented to UEC until this registration is completed!

As needed for your event:

4. Reserve room with appropriate reservation clerk, and have the clerk sign the Activity Form. Indicate room, building, dates, and times scheduled on the activity form.
5. Obtain other permissions; i.e., retail merchandise, use of University insignia, register with Recreation Services. Obtain signatures where indicated on the activity form.
6. Arrange for food/snacks/beverages with Union Food Services or Housing Food Services. For special requests, see the UEC Chair or secretary.
7. Late night parties: Arrange for security; indicate security plans on activity form. Also indicate any entrance restrictions, such as KUID only. Groups are responsible for removing any post-party refuse.

Finish Up:

8. Hand in your completed activity form at the Student Involvement and Leadership Center, 400 Kansas Union before noon on Tuesday in order to be placed on the Wednesday meeting agenda. Attach any additional budget information, reservation confirmations, or support information to your activity form.
9. Check the agenda on-line (www.silc.ku.edu/UniversityEventsCommittee/minutes.shtml) to see if you need to attend the meeting. If you are on the "consent" agenda you do not need to attend the meeting. If you are on the "regular" agenda you will need to have a representative present at the meeting to answer questions. Unanswered questions could delay approval of your event; organizations with representatives present at the UEC meeting are more likely to have their request approved.
10. The University Events Committee meeting is on Wednesdays @ 3:30, in the International Room, Kansas Union.
11. Check the minutes on-line to see if your event was approved. www.ku.silc.edu/UniversityEventsCommittee/minutes.shtml
